

SEASONAL CAMPING 2019

Great that you're interested in a season pitch with us! Over the past few months we have welcomed many interested guests at Camping the Lakens, that came by to orientate themselves and to get to know our campsite.

ORIENTATING

With our overview of the 'available season pitches 2019', we gladly offer you the opportunity to orientate yourself and list your preferences. You're welcome from Monday till Friday between 9am and 16pm (please note that Friday the 23rd we're closed). Please check in at the reception with us when you arrive on the campsite.

BOOKING PROCEDURE

Booking a season pitch is possible on Sunday the 2nd of December 2018, via a lottery in Restaurant Gestrand. You're required to sign up for this beforehand.

As from 9am, you're welcome to collect your lottery ticket. We'll hand out one ticket per registration. Please make sure to bring a valid proof of identity (ID, passport or drivers license) and a printed version of the confirmation of your online registration. Without these documents, it's unfortunately impossible to join in on the lottery. The lottery starts at 10am, tickets can be collected until 9.50am. We expect it to be very busy, so please make sure to arrive on time.

REGISTRATION FOR PARTICIPATION IN THE LOTTERY

New this year is that you're required to sign up for the lottery beforehand. Please use **this form** on our website to do so, and provide us with your details completely and truthfully. Registration closes Friday the 3rd of November at 12.00.
